

Watch and record Free-to-air Australian digital TV, with high performance HD digital tuner technology.

## HauppaugeTV MiniStick-HD

HauppaugeTV MiniStick-HD turns your laptop or desktop PC into a high-performance Free-to-air digital TV receiver! HauppaugeTV MiniStick-HD uses the latest state-of-the-art technology ensuring the best digital TV reception.

HauppaugeTV MiniStick-HD is the size of a typical 'thumb drive' and connects to any PC or laptop through a USB 2.0 port. Operation of the device can be either via keyboard/mouse or with the supplied remote control. Watch Free-to-air SD and HD digital TV programmes, in a window or full screen. Pause digital TV with instant replay. Note HauppaugeTV MiniStick-HD is able to record digital TV in high definition or standard definition formats.
